YMCA Recreational Youth Soccer Winter Season 2018-19

Communication

In an effort to keep parents informed of the status of games, special events, weather cancellations, and any other conditions that may arise, we have convenient ways to keep in contact with our Y. Call our Front Desk at 772-286-4444 or download our new Smart Phone App for push notifications.

Team Rosters

Teams are put together by the coordinator for each sport based on a number of factors including age, coach's availability, player's available practice days, skill level, placement of different aged siblings on the same practice day, and equal number of players per team. Because of the difficulties these challenges present, and to be fair to everyone, we do not allow team or practice requests. Every effort will be made to put siblings in different age divisions on the same practice day if possible and **as long as each sibling's name and age is indicated on each child's registration form where requested.** Sibling requests after teams are assembled will not be possible.

Player Commitment

Player Commitments are REQUIRED for the entire 8 week season of each sport. If you are unable to attend a practice or game, please notify your coach in advance so we can account for any shortage of players. We would like to teach the children in our program the importance of commitment and would appreciate the support of all parents.
